

Arshad Ahemad Shiakh

Passionate about web development and software solutions. Currently pursuing BSc IT with a strong interest in Full-Stack Development, specializing in HTML, CSS, PHP, and MySQL. Enthusiastic about creating user-friendly, dynamic websites and continuously improving coding skills through hands-on projects. Always eager to learn, explore new technologies, and grow in the ever-evolving tech industry

Work Experience

Fresher

Educational Background

Bachelor Of Science in Information Technology

Shankarrao Butte Patil BSc IT Senior College Junnar ,pune

Savitribai phule pune university

Jun 2022 - Persuing

SGPA :- 9

- Specialization In Information Technology

Higher Secondary Education (HSC)

Shankarrao Butte PatilVidyalaya, Junnar

Aug 2020 - March 2022

Percentage:58.17%

Secondary Education (SSC)

Shankarrao Butte PatilVidyalaya, Junnar

June 2014 - March 2020

Percentage:68.20%

Academic Projects

Hospital Appointment Management System

a web-based system that helps hospitals manage patient appointments, including doctor availability, appointment scheduling, and patient records. The system allows patients to book appointments online, receive notifications, and track their medical history easily.

Tech Used:

- Frontend: HTML, CSS
- Backend: PHP
- Database: MySQL

Reaserch And Publications

The Study of Kotlin Programming Language: Features, Applications, and Advancements : *Published in International Journal of Advanced Research in Science, Communication and Technology (IJARSCT), Volume 5, Issue 1, February 2025*

This paper reviews Kotlin's key features, its advantages over Java, and its applications in modern software development. It explores Kotlin's growing ecosystem, community, and future advancements in the language.

Skills

Technical Skills

- Java
- Python
- Web Technologies (HTML,CSS , PHP)
- MySQL / MySQLi
- Data Analysis
- Data Structures(Python)
- OOPs(Java)

Tools/Software

- Jupyter Notebook
- VS Code
- Eclipse
- WordPress
- IntelliJ IDEA
- R Studio
- Photoshop
- Scratch

Languages

- English
- Marathi
- Hindi

Certification/Short Courses

- Participated In Coding Competition (Technofilia)
- completed certified AI tools Workshop
- AI Course Creation Guide: Creating an Online Course Using AI
-
